**CEMENT PLANT TO SHUT DOWN SHORTLY.**

Will Only Be Until Present Supply of Cement Is Shipped Out.

Filled to capacity, the Southwestern Portland Cement plant may close down within the next 15 days for a period of 30, 60, or 90 days in order to obtain storage room for more of the plant's product.

The storage bin capacity at the big plant is 100,000 barrels and it is now filled to overflowing. The shutdown will come between Nov. 1 and 15, although it may be only for a sufficient length of time to put the plant in condition and to repair the machinery. All heads of departments and expert employees will be retained in the employ of the company, only the day laborers being allowed to go because of the shutdown, Felix Martinez, a director of the company, says.

The cement plant will not be shut down longer than 90 days at the longest, he says.

According to Mr. Martinez, the cement plant is sure of getting the contract for supplying the bi-Elephant Butte dam project with cement for the concrete storage reservoir and the other concrete work.

To supply this demand in addition to the regular trade, the plant will have to be enlarged from its present capacity of 1500 barrels a day to 2000 or 2500 barrels capacity.

"They cannot keep us from getting the contract," Mr. Martinez said. "No company can bid as low as our company on the big day contract and, as sure as we get it, the plant will have to be enlarged."

**SHOT AT, REPLIES AND KILLS WOMAN**

Texas Man Surrenders—Woman Wore a Man's Overcoat.

Fort Worth, Texas, Oct. 31.—Lula Williams, aged 25, is dead six miles north of Arlington and R. N. Bates, a wealthy farmer of that community, is held in the Tarrant county jail, charged with killing her. Bates declared he was called to a door at 5 o'clock this morning and a pistol fired in his direction. He secured a shotgun and fired into the darkness at a fleeing figure.

Investigating, he found a woman lying dead at the gate. She wore a man's overcoat and a man's cap. Bates and the woman had been intimate friends for several years.

Bates shortly afterwards surrendered to the authorities.

**COMMITTEE ON LAW LIBRARY FOR COURTHOUSE.**

Considerable time is lost during the trial of cases owing to the raising of disputed points which now require the interested attorneys to go to their offices to consult reference works.
